

SHIVANI ENTERPRISES

ALL TYPES OF FRP/COMPOSITE MANUFACTURER & SERVICE PROVIDER

A 3D graphic on the left side of the page featuring a bar chart with three bars of increasing height (two grey, one orange) and a pie chart with one orange slice. The background is a light grey grid.

We would like to introduce ourselves as manufacturers of various FRP composites especially to cater the needs of Industries and individuals also. We came into existence in 2004 at the Satpur Industrial Estate Nashik. We have well established marketing & production facilities to give quick and better service to esteemed customers.

Company Profile

THE PRODUCTS

FRP, as Fiberglass Reinforced Plastic is referred to in short, is considered the wonder material of **21st** century & may continue to be so in the coming centuries also FRP is extensively used in the field of Automobile, Chemical process equipments, Construction, Railways, FRP GRP Pipeline fittings and maintenance, Play ground Equipments, Hotel & Garden decorative items, Sculptures, Murals, Decorative cutouts, Eventually decorative items, Domestic and Interior Decoration and many more.

RESEARCH & DEVELOPMENT

Our R & D is actively engaged in new developments with technical specifications to match the need of each and every customer and always abreast with latest development. We can design and manufacture any item in FRP as per the customer's drawing, sample and specification. We are having pattern making & mould making facilities for perfect & right product manufacturing solution with best finish & high tensile strength.

Specialization

We are Specialist & Professional Creative Manufacturer in FRP Coating, Tank Lining & Pipe coating by using a high grade mechanical strength & chemical grade resins to meet the specifications of the Insulations & coatings. This will protect the Tank itself for breaking, leakages and increase the life of Tank or Pipes. It is very useful as the Heat & Shock Resistance & prevents leakages and fungus or rustiness from inside and outside also. This will reduce the maintenance cost & increase the life of the product. The same technology is developed by us for different types of waterproofing's.

PROJECTS

We earnestly desire to upgrade our technology for quality quantity and economic production. We are in the process of continues development.

We had developed high tensile FRP parts & Coating and Insulations of Spot Welding Gun Arms & Insulator Link for Automobile Body Shop Industries in Nashik, Pune, Aurangabad, Mumbai, Gujarat and Karnataka.

We are providing the Heat & Sound insulation solutions as per customer's requirements with high tensile material with best effects in lowest rates. We are supplying the insulation material to the Cold Storage insulation manufacturers & service providers.

OUR ESTEEMED CUSTOMER'S

- 1. Mahindra & Mahindra Ltd., Nashik, Mumbai, Chakan, Pune**
- 2. United Beverage Ltd., Aurangabad, Sagar Distilleries, Seagram Distilleries, Nashik & ETP Plants in various industries**
- 3. Sumeet Engineers & Technologies, Nashik**
- 4. Mahindra UGINE Steel Co. Ltd., Nashik**
- 5. Mungi Engineers Pvt. Ltd., Nashik, Zahirabad**
- 6. Reliable Autotech Pvt. Ltd., Nashik & Chakan-Pune**
- 7. Nash Robotics & Automation Pvt. Ltd., Nashik**
- 8. Mercedes Benz, Chakan, Pune**
- 9. SPML Infra Ltd., (70 MLD SWTP, STP) Agartakli, Nashik**
- 10. India Bulls, Nashik**
- 11. Eco Solutions, Nashik**
- 12. Sancheti Builders, Nashik**
- 13. Montex Glass Fiber Industries, Nashik**
- 14. Enprotech Solutions Pvt. Ltd., Pune**
- 15. Tata Motors, Dharwad, Karnatak**

Different types of Products

SHIVANI ENTERPRISES Divisions

- All types of Fibreglass Products & Services
- FG Mesh – Own Products
- Waterproofing Chemicals – Own Products & Service

NOW

PRESENTS

S.B.S

SHIVANI BUILDING SOLUTIONS

"SBS" Group of Company Presents

**Best Service's All Over Maharashtra In Building Care Solutions with
Guaranteed Waterproofing with Ecofriendly Technology.
We Provide Products and Services for you.**

***Water Proofing -Special Nano Technology waterproof products**

FG Mesh with Thermal Insulation for Heat Control system for Terrace and Waterproofing solutions for Toilets, Bathrooms and Basements, Roofing sheets, Industrial Constructions, Marine Work, Water Tanks, Water parks, Fountains, Swimming Pools, Expansion joints, etc.

***Pre Guard - Under Construction Application :-**

Pre Plaster Application with FG Mesh to Prevent wall from Cracks

***Thermal Insulation / Cool Coating**

Thermal insulation / Cool coating up to 10-15⁰C

***Crack Filler / Weather Shield**

Exterior and Interior walls Develops Cracks due to weather n low quality material or wrong applicator of construction .We Apply Special Solutions with Fiber Mesh and Sealant, paste, waterproof agents Nano Technology.

***Building Guard / Wall Guard**

Special Coating to Walls or Lamination to the Walls to prevents from cracks & protects Paints

***Play Ground Equipments and Garden Development Services**

All types of Garden works, Play ground Equipments, Decorative Items, Green Jim and services.

***Interior Design:-**

All Type of Interior works Like (Carpentry, Light weight Mouldings, Wall Painting & Paint Solutions, POP, etc.)

Water Proofing -Special Nano Technology Products

Pre Guard - Under Construction Application

Waterproofing, Crack Filler, Thermal Insulations

Play Ground Equipments and Garden Services

THANK YOU
